## [Prayer Request](#)

In Mark 11:24, Jesus said: "Therefore, I say to you, whatever things you ask when you pray, believe that you receive them, and you will have them."

God can use any medium to express Himself. As you pray along with Mssr. Collins A. as he prays for the viewers, remember that believing is our connection to Christ Jesus.

Prayer in strong belief or faith . Because we believe, we pray (2 Corinthians 4:13).

As you pray, we encourage you to begin to ask for God's mercy and favor for the missionary that are currently saving the mission field. Ask Jesus to help you to understand his mercy for the lost and the poor, He has called you is faithful and blessed you. In mercy, He has called you to promote you. In mercy, Christ and you are not excluded.

## **CGF Short Mission Trip**

Christian Global foundation Int'I Outreach present Mission sending in collaboration with other relevant agencies, this assignment focus joint missionary sending and care to various field, this is meant to pre pared and send missionary in a format that will reduce the hardship experience in various field but for 2016 CGFMISSION will only be able to send missionary to Africa and some south America and North America countries because of financial involvement but order doors will be open for missionaries who can finance themselves in the field, but this will be highly subsidies by this agency to makes it affordable because the primary focus is to save live, and because we are no more living in Abraham times, the territories are getting more hostile to mission and the requirement for mission in various countries is changing to suit the national interest we are seeing increasing cases of missionary who are denied access to visa without genniuie reasons
